Dear Parents

I hope everyone is well and staying safe. We recently had a Health and Safety Executive Inspection at Central Park to check on the Covid 19 measures we have in place to keep children safe. It was a very successful visit and it was reassuring to hear that what we have in place is ensuring pupils and staff are safe every day.

We ask parents to play their part in keeping everyone safe when they drop off and collect children at the start and end of the day:

- Parents need to wear masks/face coverings when they come to school – these need to remain on for the time you are waiting outside school – this is to keep children, other parents and staff safe. Despite repeated requests we still have a number of parents not wearing masks at these times.
- Please observe social distancing as much as possible. When lining up please keep your distance – we are getting the marks on the footpaths around school redone to act as a physical reminder.
- When lining up please stand in single file against the fence so other people can pass by on the footpath.
- We ask that only one adult drops off and collects children to reduce the number of adults gathered outside the school.
- Parents in year 5 and 6 can arrange to meet their children away from the gates – this helps reduce the number of people gathering at the gates.
- Please move away from the school gates as soon as you have dropped off children.
- Please remember to turn up at the right time to drop children and collect them at the end of the day. Please be on time!
