

SPORTS DAY

We have had a fabulous time with the children's sports days so far! The sun shone brightly for our Early Years and KS1 children who went off to the Olympic park last Tuesday. Unfortunately Years 3 & 4 got rained off so we are hoping to get a new date in the diary for them in the next week or two so they do not miss out! Years 5 & 6 had a fabulous afternoon on Friday with all of the children taking part and enjoying their events. The children took part in events such as the Egg & Spoon Race, Relay Race, Three Legged Race and we added a twist and included the Dizzy Race and a Wacky Race! The children thoroughly enjoyed all their events!

We would like to thank all of the staff that worked hard to make these events as amazing and fun as they were. A special thanks to Miss Khatun and Mr Sutherland who both worked relentlessly to ensure the children had the experiences they did! We would also like to thank the parents and families who attended the events and cheered the children on! We now look forward to the Years 3&4 day and of course and even bigger and better sports day next year!

MOBILE SCHOOL APP

Please do not forget about our mobile school app. The app will allow alerts to be sent to different groups that parents subscribe to and will get notifications on their mobile when an alert is sent.

You can select which group you want to join by clicking on settings and channels. The parent calendar has been integrated and we have integrated our school twitter feed into the news section as well as being able to add newsletters, letters and links to useful websites. The app also can translate into many different languages.

You can download the app from the Google Play Store for Android users or the App Store for iPhone users.

EID CELEBRATIONS

We hope those of you that celebrated Eid earlier this month had a fantastic time. Staff at the school celebrated by having an Eid party in the hub. People brought in homemade dishes to share with their friends and colleagues and there was music, dancing and lots of laughter!

We certainly look forward to the next celebrations to take place at the school!

DINING HALL AND SCHOOL VALUES

We are working hard over this term to instil some values and rules into the dining hall. This will make the dining hall experience a much more enjoyable place for the children and enable them to be in a calm and enjoyable environment whilst eating their meals with their friends and peers.

We aim to make a small transformation on the dining hall by putting up new and vibrant food related displays and by making the tables more suited to meal times. This transformation will link in with the core values of Kindness, Honesty and Respect and will teach the children how good values and behaviours can change a setting in a positive way.

PARENT COUNCIL

The Parent Council have had their third meeting, which took place at our Federation School, Dersingham Primary. The Parent Council enjoyed the visit and brought back some great ideas that they would like to see here are Central Park. This included things such as: how we display our reading books for the classes / a visible house points tally / how clear it was to see the dining hall and its purpose. We have taken note of some of the suggestions and are currently working on improving things at Central Park, including the dining hall and lunch time behaviours!

RSE DATES

We are inviting all our parents to spend some time with us to offer ideas, ask questions and contribute thoughts to the new statutory RSE health education. By gathering all the ideas and feelings from our school community we will be able to create a curriculum that is right for our school and all our learners. We have already had 4 successful sessions, one of which included Claire Clinton, Local Authority Advisor, who spoke to parents and answered many questions.

We have one more date this term, which will be on:

Wednesday 03rd July 7.00 p.m.

We hope that if you have not yet had the opportunity to come along you can come to one of these sessions. We look forward to seeing you there!

RIGHTS RESPECTING SCHOOLS

We are aiming to become a successful Rights Respecting School here at Central Park. What is a Rights Respecting School we hear you ask? There are **four** key areas of impact for children at a Rights Respecting school; wellbeing, participation, relationships and self esteem. The difference that a Rights Respecting School makes goes beyond the school gates, making a positive impact on the whole community.

At Central Park we are aiming to ensure:

Children are healthier and happier

Children feel safe

Children have better relationships with their peers and staff

Children become active and involved in school life and the wider world

PREFERRED WAYS TO COMMUNICATE

Over the coming weeks we are going to be looking at the ways in which families prefer to be communicated with. Some parents prefer email, telephone, text and some the mobile app are just to name a few. Look out for communication on this shortly.

WEBSITE & MOBILE APP:

Do check the school website & our school mobile app regularly. We are continually updating it with information for parents and classes current work.
