I come from Wales and studied in Plymouth before moving to London back in 1993. I joined Central Park as Headteacher in 2010 and became a member of the Governing Board. I remain Governor on CPD Schools Federation Governing Board following the federation with Dersingham Primary School in June 2018. I am committed to making a difference to the lives of pupils and help them have the best start in life by achieving highly in the Federation both academically and personally as a responsible citizen.

I have been teaching for 26 years, the last 14 years as Headteacher. I was appointed Executive Headteacher of the CPD Schools Federation in April 2018, and have spent my whole career working in Newham. I was previously a Newham resident and now live in Tower Hamlets. Each Borough has a very diverse community which is my main reason for wanting to live and work where I do.

Outside of education I love to travel and been lucky enough to visit many countries across the globe; seeing many spectacular, unforgettable sights. I also enjoy animals and usually link my holidays to trying to get to see animals in their natural habitat.
