My name is Sahida Hussain and I am a parent governor. I am a proud mother to my son aged 11 and my daughter aged 6 years old. I have always lived in the borough of Newham which is a developed, passionate and multicultural community.

I have worked in retail such as Smiggle, and for Newham council in the elections as poll clerk/count assistant and for Member services department. I have previously worked and volunteered in various schools such as; Upton cross primary school, Valence primary school, Dersingham primary school, Alphabet House Nursery and Vicarage primary school, undertaking many roles and responsibilities supporting school staff to ensure the effective education and wellbeing of all children.

I have really enjoyed being on the school governing body, representing parents and their views on how the school should move forward. It has been a privilege to work alongside dedicated staff and governors to offer, every child an education that prepares them to face the future.

I am committed and believe my skills, will enhance the environment where our children continue to thrive.
