I have recently been elected to the role of Staff Governor following the formation of the CPD Federation. I was born and grew up in East London. After completing my teaching degree, I returned home to Newham and have been teaching now for ten years – mainly in KS2. I have led teams as a Year Group Leader, Computing Lead and am currently an Assistant Headteacher and Assessment Lead at Dersingham. I am currently teaching, and leading the team, in Year 6. I am an active member of our staff community and look forward to contributing to the CPD governing body. I am excited about the co-operation opportunities we can now foster between both schools, to achieve even greater experiences and outcomes for our children.
