

At Central Park Primary School we aim for all our children to become fluent, confident readers who are passionate about reading.

“The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you’ll go.”
-Dr. Seuss

Children who read regularly or are read to regularly have the opportunity to open the doors to so many different worlds! More importantly, reading will give your child the tools to become independent life-long learners.

We can achieve this together through:

- Read Write Inc, a program to help to your child read at school
- Encouraging children to develop a love of books by reading to them daily, at home and at school
- Giving children access to a wide range of books at school and at home

At Central Park Primary School we use Read Write Inc Phonics (RWI) to give children the best possible start with their literacy. We have put together a guide to how the RWI programme works together with some useful links.

What is Read Write Inc?

Read Write Inc (RWI) is a phonics complete literacy programme which helps all children learn to read fluently and at speed so they can focus on developing their skills in comprehension, vocabulary and spelling. The programme is designed for children aged 4-7. However, at Central Park Primary we begin the programme in Nursery and will continue teaching RWI to children beyond the age of 7 if they still need support in their reading.

RWI was developed by Ruth Miskin and more information on this can be found at <https://ruthmiskin.com/en/find-out-more/parents/>.

How will RWI be taught?

All children are assessed half termly by our RWI by trained support staff so they work with children at the same level. This allows complete participation in lessons.

Nursery

When appropriate, children will be introduced to the initial sounds in short five minutes sessions.

Reception

In Reception all children will learn how to 'read' the sounds in words and how those sounds can be written down.

Reading

The children:

- learn 44 sounds and the corresponding letters/letter groups using simple picture prompts - see below
- learn to read words using Fred talk and sound blending
- read from a range of storybooks and non-fiction books matched to their phonic knowledge
- work well with partners
- develop comprehension skills in stories by answering 'Find It' and 'Prove It' discussion questions

Writing

The children:

- learn to write and form the letters/letter groups which represent the 44 sounds with the help of fun phrases
- learn to write words by using Fred Talk
- learn to build sentences by practising sentences out loud before they write

Talking

The children

- They work in pairs so that they:
- answer every question
- practise every activity with their partner
- take turns in talking and reading to each other
- develop ambitious vocabulary

Year One & Year Two

Children follow the same format as Reception but will work on complex sounds and read books appropriate to their reading level. Daily sessions of RWI phonics last for one hour. Once children become fluent speedy readers they will move on to Comprehension/Spelling books in year one and year two.

Five key principles underpin the teaching in all *Read Write Inc.* sessions:

Purpose - know the purpose of every activity and share it with the children, so they know the **one** thing they should be thinking about

Participation - ensure every child participates throughout the lesson. Partnership work is fundamental to learning

Praise - ensure children are praised for effort and learning, not ability

Pace - teach at an effective pace and devote every moment to teaching and learning

Passion - be passionate about teaching so children can be engaged emotionally.

Fred Talk

We use **pure sounds** ('m' not 'muh', 's' not 'suh', etc.) so that children will be able to blend the sounds into words more easily.

At school we use a puppet called Fred who is an expert on sounding out words! we call it, 'Fred Talk'. E.g. m-o-p, c-a-t, m-a-n, sh-o-p, b-l-a-ck.

The following video is an example of blending sounds with Fred. https://www.youtube.com/watch?v=dEzfpod5w_Q

The children are taught the sounds in 3 sets.

Step 1:

Set 1 Sounds are taught in the following order together with rhymes to help children form the letters correctly and instantly recognise sounds ready for blending.

Set 1	
Sound	Rhyme
m	Down Maisie then over the two mountains. Maisie, mountain, mountain.
a	Round the apple, down the leaf.
s	Slide around the snake
d	Round the dinosaur's back, up his neck and down to his feet.
t	Down the tower, across the tower,
i	Down the insects body, dot for the head.

qu	Round the queen's head, up to her crown, down her hair and curl
x	Cross down the arm and leg and cross the other way
ng	A thing on a string

Please do not use letter names at this early stage.

Children will also use pictures for each sound to help recognise the sound and then form the shape of the sound.

Step 2:

The children are then taught **Set 2 Sounds** - the long vowels. When they are very confident with all of set 1 and 2 they are taught **Set 3 Sounds**.

Nonsense words (Alien words)

As well as learning to read and blend real words children will have plenty of opportunities to apply their sound recognition skills on reading 'Nonsense words'. These words will also feature heavily in the Year One Phonics Screening check in the summer term. [Click here](#) for further information on the Screening check.

Step 3:

Children will be introduced to 'Ditty books' when they successfully begin to read single words. The short vowels should be kept short and sharp: Children use sound-blending (Fred Talk) to read short ditties. Children will then be challenged to use their developing phonic knowledge to write short sentences. Within all the books children will have **red** and **green** words to learn to help them to become speedy readers. **Red** words are words that are not easily decodable and challenge words to extend children's vocabulary. **Green** words are linked to the sounds they have been learning and are easily decodable.

Dots and dashes represent the sound each letter makes.

During the RWI session children will read the book three times and at each new reading they will have plenty of opportunities to practise using their developing comprehension skills.

Hold a sentence is an activity that encourages children to remember a whole sentence while focusing on spelling and punctuation.

Build a sentence is to give children the opportunity to create their own sentence to that shows the meaning of a word and edit a sentence allows the children to critique a sentence using their knowledge of spelling punctuation and grammar. Children complete a longer piece of independent writing, which gives them the opportunity to show off their creativity and to practice their spelling, grammar and punctuation.

Order of Story books: Children will hopefully follow the order listed below. The expectation is that all children will leave Year One as confident speedy readers, ready to take on the challenges of Year Two. However, some children may need extra support.

Phonics Screening Check Year One

What is the Year 1 phonics screening check?

The Year 1 phonics screening check is a short, light-touch assessment to confirm whether individual pupils have learnt phonic decoding to an appropriate standard.

It will identify the children who need extra help so they are given support by the school to improve their reading skills. They will then be able to retake the check so that schools can track pupils until they are able to decode.
