

Vision

- pupils are confident in learning about religions and world views
- pupils gain confidence in their own identity as well as valuing and respecting diversity in others
- pupils search for the meaning and purpose in life
- pupils enjoy the learning experience whether they have a religion or not
- pupils feel safe to express their views and opinions

1. What religions are represented in our neighbourhood?
2. Why is the Bible special for Christmas?
3. What happens when someone gets married? All faiths
4. Why is Easter important to Christians?
5. How and why do Hindus worship at home and in the Mandhir?
6. What makes me the person I am?

What is special to me and the people in my family?
