

### Vision

- pupils are confident and respectful in learning about religions and world views
- pupils gain confidence in their own growing sense of identity as well as valuing and respecting diversity in others
- RE helps in their search for the meaning and purpose in life
- the learning experience is enjoyable to pupils of any religious stance or none
- pupils are able to safely express their views and opinions

1. What similarities and differences do religions share?
2. How do people express their faith through the arts in Christianity?
3. What is a children's hospice and how does it help people with ideas about death?
4. What are the sources of the story about what happened on the first Easter Sunday?
5. What qualities are important to present day religious leaders? (3 different leaders)
6. How could we design a leaver's celebration...

*How important are the similarities and differences between and within religions?*
