

# Thank You NHS

**T**rying hard to help fight Coronavirus.

**H**elping the world when you are hurt no matter what is wrong with the patient.

**A**lways there beside us and always putting us before yourself.

**N**othing that will make you stop to help around.

**K**indness is what you do for us.

**Y**ou are helpful to us.

**O**ut of your way to help the world.

**U**sing all your strength and might you are fighting for the world.

|

**N**HS you are the best.

**H**elping the world when we are at risk.

**S**aving lives and risking yours to help us.

**THANK YOU NHS**
