Pen Portrait:

My name is Gemma Hunt and I have worked at Central Park for 4 years now. I have taught in years 5 and 6 and have been PE and Maths subject leader. I am now the assistant head and phase leader for years 5 and 6. I became a Governor in the Summer of term of 2014 in order to learn more about the running of the school and to try and help the school move forward with its vision and goals and to help ensure that our pupils get the best from their time in our school. I believe that I have a day to day knowledge of the school and can take that knowledge to the governing body when discussing issues.

I am part of the finance, staffing and premises committee which looks at areas such as maintenance of the premises, personnel and finances. I am the Maths link governor for key stage 1 which involves supporting teachers with their Maths lessons and continuing to improve children's progress and attainment in Maths. If you have any questions about what the governing body do or any concerns, I am in the playground most mornings and afternoons.
