My name is Leena Prabhakumar and I am a mother of two. Having spent time in the early stages of my motherhood it led me to believe that I am passionate about teaching and have the skills to inspire others. I decided to share my love of teaching and make a difference to the lives of children. Alongside my studies in Education I started working at Central Park Primary in 1997 as a parent volunteer, and then moved on as a lunchtime supervisory staff, followed by a Teaching Assistant (5 years) and finally becoming a school teacher. I have worked in Nursery, Reception, Year One and Two. I have spent most of my teaching career in Reception (14 years) and am a well-established effective Early Years Practitioner. During my career I have also led the Curriculum, Phonics and currently Art and DT. Living local and being part of the community have allowed me to have lots of parental links and understand the factors that affect day to day lives. I put myself forward for a ballot to represent a Staff governor in September 2017 and managed to establish a place. I believe this will allow me to understand the running of the school and support the school culture and vision.
